

BYLAW NO. 4402, 2014

A Bylaw to regulate traffic and the use of streets in the City of Coquitlam

WHEREAS:

- A. Council of the City of Coquitlam (“Council”) is authorized pursuant to the *Community Charter*, S.B.C. 2003, c. 26 (the “*Community Charter*”) and the *Motor Vehicle Act*, R.S.B.C. 1996, c. 318 (the “*Motor Vehicle Act*”) to regulate the use of streets within the City of Coquitlam (the “City”);
- B. Council considers it desirable to provide for the safe and efficient use of streets within the City; and
- C. Council has previously enacted Street and Traffic Bylaw No. 3574, 2003 and now wishes to repeal and replace that Bylaw,

NOW THEREFORE, the Council of the City of Coquitlam, in open meeting lawfully assembled, ENACTS AS FOLLOWS:

Part 1 – Citation and Interpretation

1. Name of Bylaw

This Bylaw may be cited for all purposes as the “Street and Traffic Bylaw No. 4402, 2014.”

3. Motor Vehicle Act

- 3.1 Unless otherwise contained in this Bylaw, all provisions of the *Motor Vehicle Act* of British Columbia, and Regulations thereto, present to the Act shall pertain to use and operations of a *vehicle* in the *City*.

Part 2 – City Official’s Duties and Powers

4. General Powers

- 4.1 The *Engineer* is hereby authorized to mark traffic lanes on a *street* and to designate a *street* or portion of a *street* on which a distinguishing single line or double line shall be marked, which lines need not be in the middle of the traveled portion of the *street*.
- 4.2 The *Engineer* is hereby authorized to designate a *street* or portion of a *street* upon which no *vehicle* shall be *stopped* or *parked*, or only such *vehicles* or classes of *vehicles* at such times and upon such conditions as may be prescribed by the *Engineer*.
- 4.3 The *Engineer* is hereby authorized to locate, establish and maintain upon any *street* such *signs*, *traffic control devices* or *street furniture* as may be deemed necessary for the regulation, direction and control of *traffic* on any *street*.

- 4.4 The *Chief of Police* and *Engineer* are each hereby authorized to place or cause to be placed, for periods not exceeding 30 days at any one time, a portable *traffic control device*:
- 4.4.1 at the entrance to dance halls, funeral parlors or other places of public assembly during the period of assembly therein;
 - 4.4.2 upon either or both sides of any *street* or portion of *street* along the route of any parade or in the vicinity of a large public gathering;
 - 4.4.3 at any other location in order to expedite the movement of *traffic* or to safeguard *pedestrians* or property;
 - 4.4.4 in front of any buildings or structures under construction, alterations, repairs or demolition.
- 4.5 A portable *traffic control device* placed in accordance with section 4.4 supersedes any provisions of this Bylaw or any regulations, warnings or directions displayed by any other *sign* or *traffic control device*.
- 4.6 The *Parks Manager* is authorized to exercise the same powers as the *Engineer* as set out in sections 4.1, 4.2 and 4.3 with respect to any *street* within any *public park*.
- 4.7 The *Engineer* is authorized to regulate and prohibit *parking* or *stopping* on a *street* for snow removal purposes and, without limiting the generality of the foregoing, may place a *traffic control device* for such purposes.
- 4.8 The *Engineer* is authorized to permit, upon payment of the prescribed fee, the construction, placement or erection of things on a *street*.
- 4.9 The *Engineer* is authorized to permit the construction of a culvert, *sidewalk*, curb, curb crossing, *sidewalk crossing* or *boulevard crossing* on any *street*, and no person shall cause, allow or permit such construction unless permission is provided in writing by the *Engineer*.
- 4.10 If any person fails to take any action required under this Bylaw in respect of real property, the *Engineer* may enter on to any real property and fulfill that requirement at the expense of the owner of that real property and recover the costs incurred as a debt, and may cause the debt to be collected in the same manner and with the same remedies as property taxes.

- 4.11 The *Engineer* is authorized to recover any costs associated with the administration of this Bylaw, or for any damage to *City* property, from the person deemed responsible by the *Engineer* for such costs.

5. Engineering Permits and Exemptions

- 5.1 The *Engineer*, in issuing any permits or allowing for any exemptions under this Bylaw, may:
- 5.1.1 impose any terms and conditions the *Engineer* considers necessary or desirable; and
 - 5.1.2 require the applicant to deposit with the *City* a security deposit or other indemnity, in an amount prescribed by the *Engineer*, to secure payment to the *City* for the cost of repairing or reconstructing any *street* or other property of the *City* damaged by the activities of the applicant.
- 5.2 Any person who is operating a *vehicle* or using a *street* under a permit issued or exemption granted under this Bylaw shall at all times comply with all of the terms and conditions set out in that permit or exemption.
- 5.3 Any person operating a *vehicle* or using a *street* under a permit issued or exemption granted pursuant to this Bylaw shall carry proof of the permit or exemption at all times when operating thereunder and shall produce it to any *City* representative or *Peace Officer* for inspection upon request.

6. Closing a Street

- 6.1 When, in the opinion of the *Engineer*, *Fire Chief* or *Chief of Police*, any *street*, or any portion of it is unsafe or unsuitable for *traffic*, or it is deemed advisable that *traffic* should be restricted or diverted, the *Engineer*, *Fire Chief*, or the *Chief of Police* may close such *street* or portion of it, or restrict or divert *traffic*, and for that purpose may erect or place a *traffic control device*, barriers, *signs*, notices, or other warnings.
- 6.2 The *Engineer* may, on application and payment of the prescribed fee, grant permission to any person to temporarily close a *street* or portion of a *street*.
- 6.3 No person shall enter, or travel upon such *street* or portion of a *street* so closed under section 6.1 or 6.2, or enter or travel thereon contrary to the restrictions placed upon *traffic*, or interfere in any way with any *traffic control device*, barrier, *sign*, notice or warning.

7. Impounding Provisions

- 7.1 If any *vehicle* or obstruction is unlawfully occupying any portion of a *street* or public space, any bylaw officer, duly appointed as such by *Council*, or a *Police Officer* may take such *vehicle* or obstruction into custody and cause it to be removed, or impounded, and the *City* may recover its fees and costs for such removal, or impoundment from the owner of the *vehicle* or obstruction.
- 7.2 Any *vehicle* which has three or more *outstanding tickets* issued to it and is *parked* or *stopped* on any *street* or in any public space, shall be deemed to be unlawfully occupying the *street* or public space regardless of whether the *vehicle* is *parked* or *stopped* in compliance with the other provisions of this Bylaw and regardless of whether the *driver* of that *vehicle* has deposited the required fee in a *parking pay station* where required.
- 7.3 The *City* may release a *vehicle* or other thing taken into custody under section 7.1 to the owner provided that the owner provides proof of ownership, satisfactory to the *City*, and pays any applicable impounding fees and charges.

Part 3 – Stopping and Parking Regulations

8. Stopping on Streets

- 8.1 No person shall *stop* a *vehicle* at any place where prohibited by this Bylaw.
- 8.2 No person shall *stop* a *vehicle*:
- 8.2.1 at any place where a *traffic control device* prohibits *stopping*;
 - 8.2.2 within 6 metres of the approach side of a stop sign;
 - 8.2.3 within 6 metres of a fire hall on that side of the *street* on which the fire hall is located, or within 25 metres of a fire hall on the opposite side of the *street* on which the fire hall is located, unless otherwise restricted by a *traffic control device*;
 - 8.2.4 within 5 metres of a fire hydrant, measured either side from the point at the curb or edge of the roadway which is closest to the fire hydrant;
 - 8.2.5 in front of or within 2 metres of the nearest side of a *boulevard crossing* or *sidewalk crossing*;
 - 8.2.6 in front of or within 3 metres of the nearest side of an *alley*;

- 8.2.7 alongside or opposite a *street* excavation or obstruction where to do so would obstruct the movement of *traffic*;
- 8.2.8 alongside a *median*, *traffic island* or traffic bulge;
- 8.2.9 on any *street* bounded by curbs where the *street* is less than 6 metres in width;
- 8.2.10 on the paved portion of any *street*, which does not have curbs or a yellow centerline, in such a manner or under such conditions as to leave available less than a width of 4 metres of pavement;
- 8.2.11 on the paved portion of any *street*, which has a yellow centerline, in such a manner or under such conditions as to leave less than 3 metres between the yellow centerline and the *vehicle*;
- 8.2.12 on any portion of a *street* indicated by a *sign* as reserved for one or more particular classes of *vehicles*, except for *vehicles* of that class and readily recognizable as such;
- 8.2.13 on any portion of a *street* designated as a *bus stop* unless the vehicle is a *Coast Mountain Bus* or a bus operated by a person permitted by the *Engineer* to use a *bus stop*;
- 8.2.14 on a *crosswalk*;
- 8.2.15 within 6 metres of either side of a *crosswalk*;
- 8.2.16 on a *sidewalk*;
- 8.2.17 on a *sidewalk crossing*;
- 8.2.18 on a *multi-use pathway*;
- 8.2.19 within 9 metres of the nearest edge of the pavement on an intersecting *street* where no *sidewalk* exists;
- 8.2.20 within an *intersection*.

9. Parking on Streets

- 9.1 No person shall *park* a *vehicle* at any place where prohibited by this Bylaw.

- 9.2 No person shall *park a vehicle*:
- 9.2.1 at any place on a *street* where a *traffic control device* prohibits *parking*;
 - 9.2.2 at any place on a *street* where a *traffic control device* restricts *parking*, except in accordance with such restriction;
 - 9.2.3 opposite to or in such close proximity to another *vehicle* already stopped on the *street* as to obstruct or unduly restrict the free movement of *vehicles* on the *street*;
 - 9.2.4 on any portion of a *street* for a longer period of time than indicated on any *traffic control device* which applies, except that this prohibition shall not apply on those holidays, other than Easter Monday, which are defined as such by the *Interpretation Act* of British Columbia;
 - 9.2.5 at any place on a *street* for any continuous period exceeding 48 hours without movement.
- 9.3 Section 9.2.5 of this Bylaw shall not apply to a person lawfully *parking a shared vehicle* in a designated area.
- 9.4 Where a *street* or a portion of a *street* is subject to a parking regulation with a time limit, no person shall move a *vehicle* from one location to another location that is within one block of the initial location in an attempt to avoid the time limit.
- 9.5 Except as provided in section 9.6, no person shall *stop or park a vehicle* in a *street* other than:
- 9.5.1 parallel with the curb or edge of the *street*;
 - 9.5.2 headed in the direction of *traffic*; and
 - 9.5.3 with the curbside wheels of the vehicle within 30 cm of the curb or the edge of the *street*.
- 9.6 Notwithstanding section 9.5, where a *street* or portion of a *street* has been marked or signed for *angle parking*, the *driver of a vehicle* shall *park such vehicle* at the angle to the curb indicated by such marks or *signs* and parallel to and between such marks and with the bumper as close to the curb as practicable.

- 9.7 No person having control or charge of a *vehicle* shall permit it to stand unattended on any perceptible grade on any *street* without turning the front or rear wheels to the curb or side of the *street*.

10. Stopping and Parking in Alleys

- 10.1 No person shall *stop* a *vehicle* in an *alley* where prohibited by this Bylaw.
- 10.2 No person shall *stop* a *vehicle* on an *alley*:
- 10.2.1 within 2 metres of that portion of an intersecting *alley*;
 - 10.2.2 within 2 metres of the nearest edge of the closest *sidewalk* on an intersecting *street*;
 - 10.2.3 within 5 metres of the nearest edge of the pavement on an intersecting *street* where no *sidewalk* exists;
 - 10.2.4 in such a manner or under such conditions as to leave available less than a 3 metres width of the *alley* for the free movement of *vehicles*;
 - 10.2.5 opposite to or in close proximity to another *vehicle* already *stopped* in the *alley* in such a manner as to obstruct the free movement of other *vehicles*;
 - 10.2.6 within an area extending 0.5 metres from either side of, and 3 metres directly in front of, an identified fire door situated in a building abutting such *alley*;
 - 10.2.7 within an area extending 1.5 metres from either side of, and 5.5 metres directly in front of, a driveway or private road adjoining such *alley* or the *vehicle* access of a garage abutting such *alley*.

11. Parking Large Vehicles

- 11.1 No person shall *park* a *vehicle* exceeding 6.5 metres in length on any *street* outside of an industrial zoned area between the hours of 8:00 p.m. and 7:00 a.m.
- 11.2 No person shall *park* a *trailer* or a semi-trailer on any *street* without the *trailer* or semi-trailer being attached to a *vehicle* capable of towing it, or in such a manner contrary to the standards established in the *Motor Vehicle Act* of British Columbia.

- 11.3 Despite section 11.2, a person may *park* a transfer trailer at a delivery site for up to 30 minutes while actively engaged in loading or unloading so long as:
- 11.3.1 the transfer trailer is safely *parked* in an area where *parking* is not otherwise prohibited; and
 - 11.3.2 the transfer trailer is surrounded by a conspicuous *traffic control device*.
- 11.4 No person shall *park* any *vehicle* licensed for a gross vehicle weight of 4500 kg or more on any *street*, except where such *street* or portion thereof is zoned for industrial use.

12. Restricted Stopping and Parking Areas

- 12.1 No person shall *stop* a *vehicle* in a *passenger zone* except for the purpose of loading or unloading passengers and for a period not exceeding three minutes.
- 12.2 Notwithstanding section 12.1:
- 12.2.1 the *driver* of an armored *vehicle* used to convey cash and other securities may *stop* in a *passenger zone* while picking up or making delivery of such cash or securities; and
 - 12.2.2 a *driver* of a *custom transit vehicle* or a *vehicle* bearing a *disabled parking permit* may *stop* in a *passenger zone* for a period not exceeding 20 minutes.
- 12.3 No person shall *stop* a *vehicle* in a *loading zone* except for the purpose of loading or unloading passengers or materials and for a period not exceeding three minutes, in the case of passengers, and 30 minutes, in the case of materials.
- 12.4 Notwithstanding section 12.3, a *driver* of a *custom transit vehicle* or a *vehicle* bearing a *disabled parking permit* may *stop* in a *loading zone* for a period not exceeding 20 minutes.
- 12.5 No person shall *park* or *stop* a *vehicle* in a *disabled parking zone* unless that *vehicle* bears a *disabled parking permit*.
- 12.6 No person shall *stop* a *vehicle* in a *commercial loading zone* unless:
- 12.6.1 the *vehicle* is a *commercial vehicle*;
 - 12.6.2 the name and address of its operator or owner displayed on the *vehicle*; and

- 12.6.3 the *vehicle* is actively engaged in loading or unloading materials, and for a period not exceeding 30 minutes.

13. Residential Parking

- 13.1 Where the *Engineer* has designated a *street* or portion of a *street* for the parking of *vehicles* of residents of an area of the *City* only, and where a *street* or portion of a *street* has been identified and posted with a *sign* indicating that *parking* is prohibited except with a permit, a *vehicle* which displays a valid permit authorizing *parking* in that area may be *parked* on those *streets* or portions of a *street* within the area, provided that all other *parking* restrictions are complied with.
- 13.2 Where the *Engineer* restricts *parking* under section 13.1, the *Engineer* may determine the form of permits, may make regulations as to the area and period for which the permits shall be valid, how they shall be displayed and distributed, and such other miscellaneous regulations as may be required, and may issue other permits which appear appropriate.
- 13.3 No holder of a permit issued under section 13.2 authorizing *parking* in an area specified in the permit area shall sell, assign or otherwise transfer that holder's interest in the permit.
- 13.4 Where an area is subject to two or more *parking* limitations, including a limitation under section 13.1, the more restrictive regulation shall apply.

14. Parking Pay Stations

- 14.1 The *Engineer* may cause a *parking pay station* to be placed or erected on any *street*, highway, or other public place.
- 14.2 The *Engineer* shall ensure that the period of time, the days, and fee payable for the right to occupy each parking space is clearly set out on each *parking pay station*.
- 14.3 The *driver* of every *vehicle* to be *parked* in a place controlled by a *parking pay station* shall:
- 14.3.1 deposit in the appropriate *parking pay station* the fee for *parking* in the manner and at the rate prescribed and as measured by the *parking pay station*; and
- 14.3.2 not cause, allow or permit a *vehicle* parked in any space regulated by a *parking pay station* to remain in that space for any period longer than that indicated on the *parking pay station* or longer than the period as measured by the *parking pay station* for the amount of the fee deposited.

- 14.4 The fee which shall be deposited in each *parking pay station* erected or placed pursuant to this section shall be that set out in the *Fees and Charges Bylaw*.
- 14.5 Every *parking pay station* which indicates that the period of *parking* for which the prescribed fee has been deposited therein has expired shall be taken as conclusive evidence that any *vehicle* found parked in the space regulated is illegally *parked* and in breach of the provisions of this Bylaw.

15. Stopping and Parking Exemptions

- 15.1 The provisions of this Bylaw regulating the operations, movement, *stopping* and *parking* of a *vehicle* shall not apply to any *emergency vehicle* while it is responding to an emergency call and sounding its siren, exhaust, whistle or bell, or while attending any emergency call, but this exemption shall not excuse the *driver* of any such *emergency vehicle* from exercising due and proper care for the safety of other *traffic*.
- 15.2 The provisions of this Bylaw prohibiting *stopping* or *parking* shall not apply to:
- 15.2.1 a *service vehicle*; or
- 15.2.2 tow vehicle,
- while such *vehicle* is actually engaged in works requiring them to be *stopped* or *parked* in contravention of this Bylaw.
- 15.3 Section 15.2 shall not relieve the *driver* of a *service vehicle* or tow vehicle from taking due precaution to indicate the presence of such *vehicle* on the *street* while so *parked* or *stopped*, with *traffic control devices* as described in the Ministry of Transportation and Infrastructure's *Traffic Control Manual for Work on Roadways*.
- 15.4 The *Engineer* may grant a temporary exemption from *stopping* and *parking* prohibitions at a specific location to a *driver* of a specified *vehicle*, as the *Engineer* deems fit, and under conditions the *Engineer* may impose.

Part 4 – Use and Occupation of Streets

16. Use of Streets

- 16.1 No person shall occupy a *trailer* as living quarters while it is parked upon any *street*.

- 16.2 No person shall *park* a *trailer* designed for occupancy by persons or for the carriage of goods and merchandise on any *street* within the *City* unless it is attached to a *vehicle* mechanically capable of towing the *trailer*.
- 16.3 No person shall make any repairs in connection with a *vehicle* while it is upon any *street*, other than such temporary repairs as are necessary for the removal of such *vehicle* from the *street*.
- 16.4 No person shall use any *boulevard* or *street* for the purpose of soliciting any services or donations, or soliciting, selling or displaying any article or thing, except with the written permission of the *Engineer*.
- 16.5 No owner or occupier of any land or premises shall permit any flow of water on or over any *street* from any land or premises under his or her control.
- 16.6 Any person who has caused, allowed or permitted any dirt, gravel or other debris to be carried from a premise onto a *street* by a *vehicle* shall, by the end of the day on which it was deposited, remove such dirt, gravel or other debris from the *street*.
- 16.7 If any person fails to remove dirt, gravel or other debris as required under section 16.6, the *Engineer* may direct that such dirt, gravel or other debris be removed from the *street* and direct that the cost of such removal be recovered under section 4.10 from the owner of the real property from which the dirt, gravel or other debris emanated.
- 16.8 No person shall use any *street* for the purpose of performing any work or doing any act not associated with the normal use of any such *street* for *traffic* purposes.
