PART 1 INTRODUCTION

1.0 Name of Bylaw

This Bylaw may be cited for all purposes as the “City of Coquitlam Sign Bylaw No. 3873, 2008.”

2.0 Repeal of Existing Bylaw

The City of Coquitlam Sign Bylaw No. 3500, 2000, as amended, is hereby repealed in its entirety.

3.0 Definitions

3.1 In this Bylaw, unless the context otherwise requires, the following words have the following meanings:

ABANDONED SIGN means any *sign* which no longer correctly advertises or identifies a bona fide *business*, owner, lessor, product, service, or activity associated with a *lot*, *premises*, or *building* on which such *sign* is situated.

ADVERTISING SIGN means any *sign* which advertises or identifies a *business*, service, or activity conducted within the *premises* or on the *lot* on which the *sign* is located, or which advertises or identifies goods or services for sale or otherwise obtainable within the *premises* or on the *lot* on which the *sign* is located.

ANIMATED SIGN means any *sign* which includes action, motion or multiple colour changes on all, or any part of, the *sign*.

AWNING means a weather protection device composed of non-rigid material supported entirely from the exterior wall of a *building* by a fixed or retractable frame, and where at least 80% of the *length* of the *awning* projects a minimum of 1.0 metre from the face of a *building*.

AWNING SIGN means a *sign* painted on or affixed flat against the surface of an *awning*, which does not extend vertically or horizontally beyond the limits of the *awning* on which it is painted on, or affixed to.

BALCONY SIGN means a *sign* mounted on, or supported on, a balcony or balcony railing.

BALUSTRADE means a protective barrier at the edge of openings in floors, or at the side of stairs, landings, balconies, mezzanines, galleries, raised walkways, or other locations, to prevent accidental falls from one level to another, and may be solid or may have openings through it.

BANNER SIGN means a *sign* which is composed of lightweight material, including nylon, vinyl, *cloth*, canvas or similar fabric, but does not include an *awning* affixed to a *building*, and either a free-flying flag or a decorative banner which contains no words or *logos*.

BENCH SIGN means a *sign* forming part of a bench located on public property at a bus stop, rest area or park.

BILLBOARD SIGN means an exterior structure, painting, or display which contains only third-party advertising.

BUILDING means a structure, wholly or partly enclosed by a *roof* supported by walls or columns, and used for the shelter or accommodation of *persons*, animals, chattels or things, but does not include tents or recreational vehicles.

BUS SHELTER means a covered structure intended to shelter bus patrons within or above public property located at a bus stop that is in *use* by buses operated by a public transit authority.

3.0 Definitions

3.1 **BUSINESS** means the carrying on of a commercial or industrial undertaking of any kind or nature, or the providing of professional or other services for the purpose of gain or profit.

BYLAW ENFORCEMENT OFFICER means a *Bylaw Enforcement Officer* appointed by *Council* from time to time, and any successor in title.

CANOPY means a rigid weather protection device which is supported entirely from a *building*, and projects beyond the *building* face to provide weather protection, and where at least 80% of the *length* of the *canopy* projects a minimum of 1.0 metre from the face of the *building*.

CANOPY SIGN means a *sign* which is painted on, attached to, or constructed in or on the face of a *canopy*.

CHANGEABLE COPY (ELECTRONIC) SIGN means a *sign* in or on which the information that is displayed can be changed automatically by means of the electronic switching of lamps or illuminated tubes in one colour.

CHANGEABLE COPY (MANUAL) SIGN means a *sign* in or on which the information that is displayed can be changed manually using detachable letters, characters, numbers, or graphics.

CHARTER means the *Community Charter, S.B.C. 2003, c. 26*, as amended from time to time.

CITY means the *City of Coquitlam*.

CIVIC USE means a *use* providing for public functions and includes, but is not limited to, federal, provincial and municipal offices, schools, colleges, hospitals, community centres, courts, police stations, jails, libraries, museums, parks, playgrounds, cemeteries, *streets*, works yards and waterways.

CLEARANCE means the minimum unobstructed vertical distance between the bottom of a *sign* and the *grade* beneath the *sign*.

COMPREHENSIVE SIGN PLAN means a plan which coordinates all the *signs* and *sign* types for a *building*, a group of *buildings*, or a multi-tenant complex on a *lot*, or a *sign* proposal for two or more adjoining *lots*.

COPY means the letters, characters, numbers or graphics which make up the message on a *sign*, but does not include the background colour.

COPY AREA means the area within a square, rectangle, triangle or circle, or a combination of these figures, which encloses all of the *copy* on a *sign*.

COUNCIL means the *City Council* of the *City of Coquitlam*.

CURB LINE means the line at the face of the curb closest to the *sign*, or in the absence of a curb, the edge of the road pavement closest to the *sign*.

3.0 Definitions

3.1 **DEVELOPMENT SIGN** means a *sign* advertising a new development which may include the name, nature and particulars of the development, the names of the developer, contractors, subcontractors, consultants, and a *logo* identifying the project.

DIRECTIONAL SIGN means any *sign* which only communicates information regarding pedestrian or vehicular movement on the *premises* or *lot* on which the *sign* is located.

DIRECTORY SIGN means a *fascia sign*, a *window sign* or a *freestanding sign* which provides address information regarding the tenants in a multiple residential, commercial, or industrial or institutional development.

EXISTING SIGN means any *sign* lawfully placed on a *lot* or *premises* before adoption of this Bylaw.

EXTERIOR LOT CORNER means the point of intersection of the *exterior side lot line* and the *front lot line*.

EXTERIOR SIDE LOT LINE means the *lot line* or lines not being the front or rear *lot line*, common to the *lot* and a *street* or roadway. Where the *lot* is a *strata lot*, the *exterior side lot line* is defined by a roadway instead of a *street*.

FASCIA SIGN means any flat *sign* affixed or painted parallel to the face or wall of a *building*, which does not project more than 0.35 metres from the face of the wall to which it is attached, and does not extend beyond the horizontal *length* or above the *roof line* of the *building* to which it is attached.

FLASHING SIGN means a *sign* which contains an intermittent or flashing light source or which includes the illusion of intermittent or flashing light by means of animation or an externally mounted light source, but does not include a *changeable copy (electronic) sign*.

FREESTANDING SIGN means a *sign* which is attached to the ground and independent of any *building* or structure located on the same *lot* on which the *sign* is situated, including a free-flying flag with words and/or *logos*, but not including a *billboard sign*.

FRONT LOT LINE means the *lot line* or lines common to the *lot* and a fronting *street*, or where there is more than one fronting *street*, the *lot line* or lines common to either one of the fronting *streets*. For a panhandle-shaped *lot*, the *lot line* which is the rear *lot line* of the *lot* adjacent to the panhandle portion is considered to be the *front lot line*. Where the *lot* is a *strata lot*, the front line is defined by a roadway instead of a fronting *street*.

FRONTAGE means that *length* of a *lot* boundary which abuts a *street*, other than a *lane*.

3.0 Definitions

3.1 **GENERAL MANAGER PLANNING AND DEVELOPMENT** means the *person* appointed from time to time by *Council* as the *General Manager Planning and Development*, and any successor in title, and his or her designate.

GRADE means the finished ground surface directly below the *sign*. For any *sign* encroaching into a *street*, *grade* means the surface of the sidewalk or boulevard adjacent to the *sign*.

HEIGHT means the vertical distance from the *grade* to the highest point of a *sign*.

HOARDING SIGN means a *sign* erected upon hoarding surrounding a development for the purpose of advertising during construction, which may include the name, logo, nature and particulars of the development, sales information, photographs or artistic renderings of the development, the names and logos of the developer, contractors, subcontractors, and consultants.

HOME OCCUPATION SIGN means a non-illuminated *sign* identifying the name and/or occupation of the occupant of a *building* carrying on an accessory home occupation *use* in accordance with the provisions of the *Zoning Bylaw*.

IDENTIFICATION SIGN means a *sign* which is limited to the name, *logo*, address, and/or number of a *building*, institution or *person*, and describes the activity carried on in the *building* or the occupation of the *person*, but does not contain any other advertising.

ILLUMINATED SIGN means a *sign* designed to give forth any artificial light, either directly from a source of light incorporated in, or connected with, such a *sign*, or indirectly from an artificial source, so shielded that no direct illumination will cause lighting overspill to residential units on upper floors in mixed *use* developments.

INFLATABLE SIGN means an inflated three-dimensional device which incorporates a *sign* or serves to attract attention for advertising purposes and is anchored or affixed to a *building* or *lot*.

INFORMATION PLAQUE means a *sign* that conveys a message about a *building*, *lot*, historical event or object of interest.

LANE means every roadway, or right of way that is 8.0 metres or less in width which offers only a secondary means of access to a *lot* at its side or rear.

LENGTH means the horizontal distance measured from one outer limit to the other of the *sign*.

LOGO means a symbolic representation not including any words, names or numbers unless part of a registered trademark, which is used exclusively to simplify advertising of a product, *business*, service, or activity, and which contains no additional identification, information or message.

3.0 Definitions

3.1 **LOT** means any parcel, block or other area in which land is held or into which land is subdivided, including a *strata lot* as defined in the *Zoning Bylaw*.

PROJECTING SIGN means a *sign*, other than an *awning*, a *canopy* or a *fascia sign*, which is attached to and projects from a structure or a *building* face or wall.

REAL ESTATE SIGN means any *sign* indicating that the *building*, *premises* or the *lot* on which the *sign* is located is for sale, rent or lease.

REVOLVING SIGN means any *sign* or portion of a *sign* which revolves or partly revolves.

ROOF means the top enclosure of any *building*, and includes any extension or overhang of such enclosure beyond an exterior wall.

ROOF LINE means the higher of either the line which is made by the intersection of an exterior wall of a *building*, including penthouses, and the *roof* covering, or the top outline of a *parapet* wall or of a *mansard roof* and such a line or outline located on a *building* face.

ROOF SIGN means a *sign* erected upon or above a *roof* or *parapet* of a *building*, or a *sign* affixed to a *building* and extending above the *roof* line of the *building*.

SANDWICH BOARD SIGN means any one or two or multi-faced non-illuminated *sign* which is portable and directs attention to a *business*, commodity, service or entertainment offered on the *premises* or *lot* on which the *sign* is located.

SEARCH LIGHT means one or more permanently installed or portable devices housing a light source and/or reflectors for producing and projecting light beams and includes the projected light, aerial lights, beacon lights, laser lights, strobe lights, spotlights and beams, and other similar devices or special effects used to attract attention to a site by projecting or reflecting light into the sky.

3.0 Definitions

- 3.1 **SIGHTLINE AREA** means the 6.0 metre by 6.0 metre triangular area at a *street* corner. The *sightline* will be measured from the intersection of the property lines adjoining the *streets* as illustrated below:

SIGN means any device, visual representation, notice or medium, including its structure and other components that is intended to advertise, identify, or communicate information or attract the attention of the public for any purpose. Without limiting the generality of the foregoing, *sign* includes any symbols, letter, figures, illustrations or painted forms, but does not include either a free-flying flag, a decorative *banner* which contains no words or *logos*, or a *poster*.

SIGN AREA means the total area calculated within the outer edge of the frame or border of the material on which advertising is placed, but does not include additions which are purely decorative or ornamental which are separately attached to the *sign* or supporting structure, to a maximum of 20% of the *sign area*, provided these additions do not contain a *logo*, symbol, representation, insignia, illustration or other form of advertising.

Where a *sign* has no frame, border or background, the *sign area* is the area contained within the shortest line surrounding the whole group of letters, symbols, or figures.

Where the *sign* is a *freestanding sign*, the *sign area* is the total area of all *sign faces*.

Where the *sign* is a three-dimensional *sign* with no easily measurable face, the *sign area* is one-half the total area of all the vertical *sign faces* encompassing the *sign*.

SIGN FACE means the entire area of a *sign* on which the *sign copy* could be placed, and for a *freestanding sign* each surface with or without a message whether the front, back or side of the *sign*.

3.0 Definitions

- 3.1 **ZONING BYLAW** means the *City of Coquitlam Zoning Bylaw* No. 3000, 1996, as amended from time to time.

Words that are not defined in this Bylaw will have the definition assigned to them in the *Zoning Bylaw*, if defined in that bylaw.

PART 2 GENERAL PROVISIONS

4.0 Application of Bylaw

4.1 This Bylaw applies to regulate all signs located in the *City*.

5.0 Authority

Except as otherwise provided, the *General Manager Planning and Development* is authorized to administer this *Bylaw*, which includes the authority to receive applications for *Sign Permits*, to approve *Sign Permit* applications with or without conditions, or to reject such applications, to collect fees and to issue *permits* in accordance with part 6 of the *Bylaw*.

6.0 Application of Zoning Bylaw

- 6.1 The *zones* described in the *Zoning Bylaw* are hereby included in this Bylaw. Where the regulations contained in this Bylaw concerning *signs* conflict with the regulations governing signs in the *Zoning Bylaw*, the regulations in the *Zoning Bylaw* will prevail.

7.0 Existing Signs

- 7.1 An *existing sign* may remain on that *lot* or *premises* after the adoption of this Bylaw as a legal non-conforming *existing sign*, even if the *sign* does not conform to the provisions of this Bylaw, provided that:
- (a) the *existing sign* is not re-erected, altered, enlarged, *upgraded* or moved, or otherwise materially altered after the adoption of this Bylaw, unless such actions result in the *sign* fully conforming with this Bylaw; and
 - (b) the *existing sign* may be altered or a new *sign* added provided that:
 - i. plans for the *sign* have been approved and a *permit* issued; and
 - ii. the wording, size, construction and location of the *sign* fully conforms with this Bylaw.
 - (c) the *existing sign* is maintained in a safe condition. Determinations as to whether the *existing sign* is being maintained in a safe condition will be made by the *General Manager Planning and Development*, and that decision will be final.
- 7.2 For the purpose of sub-section 7.1(a), a change in letters, colour or plastic panel is not considered a material change to the sign, unless the change refers to a new *business* on a *lot* or *premises* or change in *principal use* on the *lot* or *premises*.

8.0 Effective Date

8.1 This Bylaw will come into force and take effect on the date of final adoption.

PART 3 PROHIBITIONS

9.0 Prohibitions Concerning Signs

- 9.1 No *person*, or owner or occupier of a *lot*, or *premises*, will erect, allow, or cause to be erected, a *sign* on any *lot*, *premises* or *street* unless this *sign* is erected in accordance with all of the provisions of this Bylaw.
- 9.2 No *person*, or owner or of a *lot*, or *premises* will erect, allow, or cause to be erected, any of the following types of *signs*, unless expressly otherwise *permitted* in this Bylaw:
- (a) a *sign* on a motor vehicle, except an *identification sign* or a *sign* placed on a taxicab;
 - (b) a *sign* having the shape or colour of a traffic control device (as referred to in the Motor Vehicle Act, as amended from time to time);

 - (n) a *billboard sign*;
 - (o) a *third-party sign*;
 - (p) a *search light*;
 - (q) *portable signs*;
 - (r) a *sign* in a *sightline area*;
 - (s) a *sign* which interferes with a traffic control device;
 - (t) a *sign* which obstructs any means of access or egress including part of a door opening, window opening, passageway, fire escape, walkway, vehicular driveway or similar feature;
 - (u) a *sign* which interferes with the visibility at an access to or egress from a *street*, or at the intersection of *streets*;
 - (v) a *sign* which creates a potential or real hazard to the safe, efficient movement of vehicular or pedestrian traffic.

9.0 Prohibitions Concerning Signs

- 9.3 A *third-party sign* for community associations that are proposed for a City-owned property or *street*, or an *animated sign* may be authorized by Council provided the signs are either in the form of a *freestanding sign* or a *fascia sign* and meet all other requirements in this bylaw including the *sign area*, *height*, dimensions and setbacks for *freestanding signs* or *fascia signs* of the *zone* for which they are proposed.
- 9.4 No *person*, or owner or occupier of a *lot* or *premises* will erect a *sign* located in a *street* under the jurisdiction of the Province of British Columbia, unless this *sign* meets any requirements established by the Ministry of Transportation and Highways.
- 9.5 No *person*, owner or occupier of a *lot* or *premises* will erect or allow or cause to be erected a *sign*, *guy*, *stay* or attachment thereto, which interferes with, or comes within 0.6 metres at its outer edge from, any electric light, power, telephone or telegraph wires or their supports.
- 9.6 No *person*, owner or occupier of a *lot* or *premises*, will erect or allow or cause to be erected, a *sign* that is located within a right-of-way on any *lot*, unless written consent to do so has been obtained from all the parties to the right-of-way, and evidence of this consent in has been provided to the *City* in writing along with a title search for the *lot*, and copies of the right-of-way instrument, in advance of erecting the *sign*.
- 9.7 No *person*, or owner or occupier of a *lot* will allow an *abandoned sign* to be erected or maintained on a *lot* or *premises*.
- 9.8 No *person*, or owner of occupier of a *lot* or *premises* will allow a *time-limited sign* for which a *permit* has been obtained to remain erected on a *lot* or *premises* for more than twenty-four (24) hours following the expiration of the *permit* or within ninety-six (96) hours of the termination of the event referred to in the *time-limited sign*, whichever occurs first.
- 9.9 No *person*, or owner or occupier of a *lot* or *premises* will *permit* a *sign* that is erected on the *lot* or *premises* to fall into disrepair, or become, or remain in, an unsightly, unclear, unsafe or hazardous condition.
- 9.10 No *person*, or owner or occupier of a *lot* or *premises* will *permit* the accumulation of weeds, debris, rubbish or other materials within 6.0 metres of the *sign*.
- 9.11 No *person*, or owner or occupier of a *lot*, or *premises* will *permit* the erection of a *sign* on that *lot* or *premises* that exceeds the *sign area* specified in the *permit* for that *sign* or *permitted* in this Bylaw.

9.0 Prohibitions Concerning Signs

- 9.12 No *person*, or owner or occupier of a *lot* or *premises* on which a *sign* is erected and for which *proof* of insurance was required in order to obtain a *permit*, will allow the insurance policy for the *sign* in question to lapse during the life of that *sign*.
- 9.13 No *person*, or owner or occupier of a *lot* or *premises* on which a *sign* is erected and attached to a *building* or structure will *permit* the *sign* to be attached with guy wires, braces, brackets, frames or other supporting members that visibly project more than 0.35 metres beyond the *sign area* .
- 9.14 No *person*, or owner or occupier of a *lot* on which a *sign* that *uses* electricity is erected will *permit* such *sign* to be erected unless this sign:
- (a) conforms to the specifications established by the Canadian Standards Association or Provincial Equivalent;
 - (b) is constructed, installed and approved in accordance with all applicable codes, including the BC Building Code;
 - (c) contains weatherproofing for all fixtures, switches, and wiring, except if the *sign* is contained in a permanent rigid sealed structure which ensures that the electrical installation is kept dry at all times;
 - (d) displays a label of *approval* in a prominent position on the *sign*, which label must contain the following information:
 - i. the name of the manufacturer;
 - ii. the date of manufacture;
 - iii. evidence of Canadian Standards Association;
 - iv. the operating amperage and voltage; and
 - v. unless the *sign* is a *freestanding sign*, the *gross weight* of the *sign*.
- 9.15 No *person*, or owner or occupier of a *lot* on which a *sign* that *uses* electricity will *permit* such *sign* to be erected unless the wiring is concealed, self contained or pre-wired to an adjacent power source. For greater certainty, overhead wiring for electrical signs is not permitted on any *sign*.
- 9.16 No *person*, or owner or occupier of a *lot*, will erect a *sign* in the *City* unless they have applied for, and obtained, a *permit* to do so as required by this Bylaw.

PART 4 SIGNS NOT REQUIRING A PERMIT

10.0 Exempt Signs

- 10.1 A *permit* is required for all *signs* erected in the *City*, except for the following *signs*, which are exempt from the requirement of a *permit*, provided these signs comply with all structural and safety requirements of the Bylaw:

- (m) a *projecting sign*, to a maximum of one *projecting sign* per ground floor *premises* or *business*, and provided that the *premises* or *business* does not already have a *freestanding sign*, an *awning sign* or a *canopy sign* on the *lot* where it is located, and provided that the *projecting sign*:
- i. does not have a *sign area* greater than 2.8 square metres;

13.0 Signs Permitted in Commercial Zones

- ii. does not have a *copy area* which exceeds 50% of the *sign area*;
 - iii. does not project more than 3.0 metres from the exterior wall to which it is attached;
 - iv. does not exceed a *height* of 9.0 metres;
 - v. is attached to the *premises* or *business* to which it pertains;
 - vi. is perpendicular to the face of the *building* to which it is attached, except that for corner sites, in which case it may be placed at equal angles to the two *frontages*;
 - vii. does not project more than 0.6 metres, measured horizontally, from any *curb line*;
 - viii. unless for a theatre or cinema, does not extend above the lowest part of the *roof line* of the *building* to which it is attached, and the supporting structure of the *projecting sign* must not project more than 0.3 metres above the same *roof line*;
 - ix. if for a theatre or cinema, does not extend above the lowest part of the *roof line* of the *building* to which it is attached, and the supporting structure of the *projecting sign* does not extend project more than 1.5 metres above the same *roof line*;
 - x. does not project over public property unless the subject of an executed encroachment agreement with the *City*, and is covered by a \$3,000,000 liability insurance policy which names the *City* as an insured;
 - xi. has a minimum *clearance* of 2.75 metres between the bottom of the *projecting sign* and the *grade*, unless the *projecting sign* projects over vehicular traffic in which case, it must have a minimum *clearance* of 4.5 metres between the bottom of the *projecting sign* and the *grade*;
 - xii. if illuminated, must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential *zone*.
- (n) a *sandwich board sign*, to a maximum of one *sandwich board sign* per *business*, provided that this *sandwich board sign*;
- i. is only displayed during the operating hours of the *business* to which it refers;
 - ii. is located entirely on private property in front of the *business* or *premises* to which it refers;
 - iii. is not located in a parking *lot* or loading area;

13.0 Signs Permitted in Commercial Zones

- iv. is not placed on public property unless the *sandwich sign* is the subject of an executed encroachment agreement with the *City*, and is covered by a \$3,000,000 liability insurance policy which names the *City* as an insured;
 - v. does not have a *sign area* greater than 1.5 square metres;
 - vi. does not have a *sign face* greater than 0.75 square metres;
 - vii. does not exceed a *height* of 1.05 metres, a width of 0.76 metres, or a footprint of 0.76 metres by 0.76 metres;
 - viii. does not cause a nuisance or obstruct pedestrian or vehicular movement and in particular must:
 - a. leave a minimum of 2.0 square metres of unencumbered area adjacent to a curb, property line, landscape feature, or structure; and
 - b. is not placed within 15 metres of an intersection or 1.05 metres of a curb.
 - ix. does not contain any electrical components;
 - x. is not illuminated.
- (o) *window signs*, to a maximum *sign area* of 20% of the window area.
- (p) a *time-limited sign* for the purpose of advertising a *special event*, to a maximum of three *time-limited signs* per calendar year, per *lot, business* or *premises*, and provided that this *time-limited sign*:
- i. is only erected for the time period specified in the *permit* obtained for that *time limited sign*, which may range from ten (10) to thirty (30) days, depending on the type of *permit* obtained;
 - ii. does not have a *sign area* greater than 6.0 square metres;
 - iii. is removed within twenty-four (24) hours of the expiry of the *permit*, or within ninety-six (96) hours of the termination of the event referred to in the *time-limited sign*, whichever occurs first;
 - iv. must be in the form of the following *sign* types:
 - a. *portable sign*;
 - b. *banner sign*; and
 - c. an *existing sign* which conforms with this Bylaw.

13.0 Signs Permitted in Commercial Zones

- v. if an *illuminated sign* must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential *zone*.
- (q) a *hoarding sign*, provided that the *hoarding sign*:
- i. is fronting a *street*;
 - ii. does not have a *copy area* greater than 40% of the hoarding face area along the *street*;
 - iii. the *height* of the *copy area* does not exceed 1.4 metres;
 - iv. is painted on or flush mounted on the hoarding;
 - v. is not illuminated; and
 - vi. is placed wholly on the *premises* comprising the construction or development activity.

14.0 Signs Permitted in Industrial Zones

- 14.1 The maximum combined *sign area* of all *signs*, excluding *freestanding signs*, *signs* for which a *permit* is not required, *sandwich board signs*, and *time-limited signs*, on a *lot* or *premises* in an M-1 zone, must not exceed 0.33 square metres per lineal metre of *premises frontage*.
- 14.2 The maximum combined *sign area* of all *signs*, excluding *freestanding signs*, *signs* for which a *permit* is not required, *sandwich board signs*, and *time-limited signs*, on a *lot* or *premises* in a M-2 and B-1 zone, must not exceed 0.66 square metres per lineal metre of *premises frontage*.

For properties outlined in bold on Schedule 'A', additional *sign area* will be permitted for the north *building* façade to a maximum of 0.66 square metres per lineal metre of *building* length provided that the *sign area* on any *building* façade is not greater than 60% of the total permitted *sign area* of the *building*.”

- 14.3 Provided that a *permit* is obtained from the *City*, the following *signs*, and no others except those for which a *permit* is not required as set out in this Bylaw, are *permitted* in an Industrial Zone:
- (a) an *awning sign*, provided that there is not also a *canopy* or *canopy sign* on the *building* or *premises*, to a maximum of one *awning sign* per *building* entrance for each *premises frontage* and provided that this *awning sign*:
- i. has a maximum of one *awning sign* per face of the *awning*, although where the *awning* has more than one face, the *awning sign* may continue around the perimeter of the *awning* and will be considered as one *awning sign*;
 - ii. does not have a *copy area* that exceeds 40% of the *awning* face area;
 - iii. is not supported with a support that projects more than 0.6 metres, measured horizontally, from any *curb line*;
 - iv. does not extend beyond the outer perimeter of the *awning* to which it is affixed;
 - v. does not project more than 0.2 metres from the *awning* face;
 - vi. has a minimum *clearance* of 2.75 metres between the bottom of the *awning* or *awning sign* and the *grade*, unless the *awning* or *awning sign* has a soft fringe on the *awning*, in which case it must have a minimum *clearance* of 2.3 metres between the bottom of the *awning sign* and the *grade*;
 - vii. if illuminated, must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.

14.0 Signs Permitted in Industrial Zones

- (b) an *under-awning sign*, to a maximum of one *under-awning sign* per *premises*, provided that this *under-awning sign*:
 - i. does not project beyond the front edge or side of the *awning*;
 - ii. is perpendicular to the wall;
 - iii. has a minimum *clearance* of 2.75 metres between the bottom of the *under-awning sign* and the *grade*, unless the *under-canopy sign* is made from a soft material (i.e. *cloth*, canvas, flexible plastics etc.), in which case it must have a minimum of 2.3 metres between the bottom of the *under-awning sign* and the *grade*;
 - iv. does not have a vertical dimension exceeding 0.3 metres;
 - v. does not have a horizontal dimension exceeding 1.5 metres;
 - vi. has a space of no more than 0.05 metres between the top of the *under-awning sign* and the lowest part of the *awning*;
- (c) a *canopy sign*, provided that there is not already an *awning* or *awning sign* on the *building* or *premises*, to a maximum of one *canopy sign* per *building* entrance for each *premise frontage*, provided that this *canopy sign*:
 - i. does not have a *copy area* greater than 50% of the *canopy* face area;
 - ii. is not located on the *canopy roof*;
 - iii. does not have a vertical dimension exceeding 1.0 metre, except that the maximum vertical dimension may be increased to 2.0 metres for a portion of the *canopy sign* not exceeding 20% of the horizontal dimension of the *canopy*;
 - iv. does not project within 0.6 metres of any *curb line*, measured horizontally;
 - v. has a minimum *clearance* of 2.75 metres between the bottom of the *canopy* and the *grade*;
 - vi. does not extend beyond the outer perimeter of any *canopy* to which it is affixed, or project more than 0.35 metres from any *canopy* face;
 - vii. if illuminated, must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (d) an *under-canopy sign*, provided that this *under-canopy sign*:
 - i. is directly attached to the *canopy* apron;
 - ii. does not project beyond the front edge or side of the *canopy*;

14.0 Signs Permitted in Industrial Zones

- iii. if located over a *lane*, has a minimum *clearance* of 4.5 metres between the bottom of the *under-canopy sign* and the *grade*;
 - iv. if not located over a *lane*, has a minimum *clearance* of 2.2 metres between the bottom of the *under-canopy sign* and the *grade*;
 - v. if illuminated, is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (e) a *changeable copy (electronic) sign*, provided that this *changeable copy (electronic) sign*:
- i. if installed as part of a *fascia sign*:
 - a. does not have a *copy area* with a horizontal dimension or vertical dimension in excess of 7.0 metres;
 - b. does not have a *sign area* greater than 7.0 square metres;
 - c. shows the complete electronic message for a minimum of three (3) seconds before it is repeated; or
 - ii. if installed as part of a *freestanding sign*:
 - a. does not have a *copy area* exceeding 4.5 square metres, and the *copy area* must form an integral part of the *freestanding sign*;
 - b. shows the complete electronic message for a minimum of three (3) seconds before it is repeated;
 - c. does not display any advertising relating to a *business*, commodity, service or entertainment which is conducted, sold or offered elsewhere than on the *lot* or *premises* on which the *changeable copy (electronic) sign* is located;
 - d. is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone; or
 - iii. if installed as part of an *under canopy sign* or *under-awning sign*:
 - a. also complies with all the provisions of this Bylaw governing *under-canopy signs* or *under-awning signs* as the case may be, in industrial zones;
 - b. is not used to display to advertise or direct attention to a *business*, commodity, service or entertainment which is conducted sold or offered elsewhere than on the *premises* or *lot* on which the *changeable copy (electronic) sign* is located;
 - c. shows the complete electronic message for a minimum of three (3) seconds before it is repeated;

14.0 Signs Permitted in Industrial Zones

- d. is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (f) a *changeable copy (manual) sign*, to a maximum of one *changeable copy (manual) sign* per *premises frontage*, provided that this *changeable copy (manual) sign*:
 - iv. is installed as part of a *canopy sign*, a *fascia sign*, a *freestanding sign*, or a *directory sign*;
 - v. does not have a *copy area* greater than 80% of the *sign face*;
 - vi. does not have a *sign area* greater than 3.0 square metres;
 - vii. if part of a *directory sign*, does not allocate more than 0.6 square metre of *sign area* to any one *premises* or activity.
- (g) a *directional sign*, to a maximum of one *directional sign* per door to a service bay, provided that this *directional sign*:
 - i. is located over a door to a service bay;
 - ii. is a *fascia sign*;
 - iii. conveys information only pertaining to the service offered in the bay.
- (h) a *directory sign*, provided that this *directory sign* is a *fascia sign*, a *freestanding sign* or a *window sign*;
- (i) *fascia signs*, provided that the *fascia sign*:
 - i. if located over a *lane*, has a minimum *clearance* of 4.5 metres between the bottom of the *fascia sign* and the *grade*;
 - ii. if not located over a *lane*, has a minimum clearance of 2.75 metres between the bottom of the *fascia sign* and the *grade*, unless the *fascia sign* is:
 - a. painted on a *building*;
 - b. is located over a landscaped area wholly on private property; or
 - c. is entirely recessed into the wall of a *building*;
 - iii. does not project more than 0.35 metres from the face of a *building* wall to which it is attached;
 - iv. does not extend beyond the *roof line*, or if there is a *parapet* on the *building*, the *parapet*;

14.0 Signs Permitted in Industrial Zones

- v. if located on a one storey *building* may extend up to one metre above the *roof line* if there is a *parapet*, but must not extend above the *parapet*;
 - vi. does not cover a *balustrade*;
 - vii. if intersecting with another *fascia sign* at a *building* corner, overlaps with one of the two *fascia sign* edges being flush with the face of the other *fascia sign*, but the area of overlap will not be included in the calculation of the *sign area*;
 - viii. if it is a *parapet fascia sign* for a mansard-type structure, must be attached parallel to the structure and must not project more than 0.35 metres along its bottom edge, or 1.0 metre along its top edge;
 - ix. if illuminated, is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (j) a *freestanding sign*, provided that:
- i. on lots with a *street frontage* (excluding lanes) less than 12 metres:
 - a. only one (1) *freestanding sign* is permitted for each *street frontage*;
 - b. the *freestanding sign* must not exceed a *sign area* of 3.6 square metres;
 - ii. on lots with a *street frontage* (excluding lanes) less than 30 metres:
 - a. only one (1) *freestanding sign* is permitted for each *street frontage*;
 - b. the *freestanding sign* must not exceed a *sign area* of 13.9 square metres;
 - iii. on lots with a *street frontage* (excluding lanes) greater than 30 metres:
 - a. A maximum of two (2) *freestanding signs* are permitted for each *street frontage* provided that the *freestanding signs* must be separated by a minimum distance of 30 metres;
 - b. where only one (1) *freestanding sign* is permitted along a *street frontage* the one *sign* must not exceed a *sign area* of 20 square metres;
 - c. where two (2) *freestanding signs* are permitted along a *street frontage*, the combined *sign area* must not exceed 20 square metres.
 - iv. for *freestanding signs*, the *freestanding sign* does not have a *sign area* greater than 13.9 square metres, and on *lots* where two such *freestanding signs* are permitted along a *street frontage*, the combined *sign area* of the two *freestanding signs* does not exceed 20 square metres; where the *lot frontage* is greater than 30 metres and an additional *sign* is permitted according to ii. above, one *sign* no greater than 20 square metres is permitted instead of, and not in addition to, two *signs*.

14.0 Signs Permitted in Industrial Zones

- v. the maximum horizontal dimension of the *freestanding sign* does not exceed 6.5 metres;
- vi. where a *freestanding sign* does not project over vehicular traffic on private property, maintains a minimum *clearance* of 2.75 metres between the lowest portion of the *sign* and the *grade*;
- vii. includes a landscaped area extending a minimum of 0.6 metres around the entire base of the *freestanding sign*;
- viii. the owners of two or more adjoining *lots* may combine their *permitted freestanding sign areas* to form one single *freestanding sign*, but the combined *sign area* for any such *freestanding sign* does not exceed 20 square metres;
- ix. is not erected within the 6 metre triangular *sightline area* of a corner *lot*, or within 13.5 metres of the centerline of a major arterial *street*, as designated by the *City*;
- x. if illuminated, must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential *zone*;
- xi. if in the form of a free-flying flag with words and/or *logos*, also complies with the provisions of the *Zoning Bylaw* regarding height exceptions; and
- xii. does not exceed a *height* of 4.5 metres, except that:
 - a. for properties fronting on Lougheed Highway, the Barnet Highway and the TransCanada Highway, a *freestanding sign* may not exceed a *height* of 7.6 metres; and
 - b. for properties fronting on the following arterial roads, a *freestanding sign* may not exceed a *height* of 6.0 metres:
 - 1. Austin Avenue between North Road and Mariner Way
 - 2. Bernatchey Street between Brunette Avenue and Lougheed Highway
 - 3. Blue Mountain Street between Brunette and Como Lake Avenues

 - v. does not project more than 0.2 metres from the *awning* face;
 - vi. has a minimum *clearance* of 2.75 metres between the bottom of the *awning* and the *grade* below the *awning*, except if the *awning sign* is on the soft *awning* fringe, in which case, it must have a minimum *clearance* of 2.3 metres between the bottom of the *awning sign* and the *grade*;
 - vii. if illuminated, must not be placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
 - (b) an *under-awning sign*, provided that the *under-awning sign*:
 - i. does not project beyond the front edge or side of the *awning*;
 - ii. is perpendicular to the wall;
 - iii. has a minimum *clearance* of 2.75 metres between the bottom of the *under-awning sign* and the *grade* below it, unless the *under-canopy sign* is made from a soft material (i.e. *cloth, canvas, flexible plastics* etc.), in which case it must have a minimum of 2.3 metres between the bottom of the *under-awning sign* and the *grade*;
 - iv. does not have a vertical dimension exceeding 0.3 metres;
 - v. does not have a horizontal dimension exceeding 1.5 metres;

15.0 Signs Permitted in Institutional Zones

- vi. have a space of no less than 0.05 metres between the top of the *under-awning sign* and the lowest part of the *awning*.
- (c) a *canopy sign*, provided that there is not already an *awning* or *awning sign* at the *building* or *premises*, to a maximum of one *canopy sign* per *building* entrance for each *premise frontage*, and provided that this *canopy sign*:
- i. does not have a *copy area* greater than 50% of the *canopy* face area;
 - ii. is not located on the *canopy roof*;
 - iii. does not have a vertical dimension exceeding 1.0 metre, except that the maximum vertical dimension may be increased to 2.0 metres for a portion of the *canopy sign* not exceeding 20% of the horizontal dimension of the *canopy*;
 - iv. does not project within 0.6 metres of any *curb line*, measured horizontally;
 - v. has a minimum *clearance* of 2.75 metres between the bottom of the *canopy* and the *grade*;
 - vi. does not extend beyond the outer perimeter of any *canopy* to which it is affixed nor project more than 0.35 metres from any *canopy* face;
 - vii. if illuminated, is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (d) an *under-canopy sign*, provided that this *under-canopy sign*:
- i. is directly attached to the *canopy apron*;
 - ii. does not project beyond the front edge or side edge of the *canopy*;
 - iii. if located over a *lane*, has a minimum *clearance* of 4.5 metres between the bottom of the *under-canopy sign* and the *grade*;
 - iv. if not located over a *lane*, has a minimum *clearance* of 2.2 metres between the bottom of the *under-canopy sign* and the *grade*;
 - v. if illuminated, is not placed within 7.5 metres of an abutting *lot*, if that *lot* is located in an agricultural or residential zone.
- (e) a *changeable copy (electronic) sign*, provided that this *changeable copy (electronic) sign*:
- i. is located in a P-1 or P-2 zone;

16.0 Signs Permitted in Comprehensive Development Zone

- 16.1 In a Comprehensive Development (CD) *Zone*, unless otherwise specified in the Development *Permit* Area Guidelines identified in the Citywide Official Community Plan, the *sign* regulations of the underlying *zones* of the CD *zone* will prevail.

PART 6 SIGN PERMIT APPLICATIONS

17.0 Required Information

17.1 An application for a *sign permit* shall be:

- (a) made through a fully completed application form, signed by the applicant and the registered owner of the *lot* or *lots* affected;
- (b) be accompanied by the appropriate application fee as provided in the current Fees and Charges Bylaw; and
- (c) accompanied by such other information as is required by the *City* to evaluate the application.

17.2 Additional requirements where applicable include:

- (a) Engineering drawings, Schedule B bearing the *Professional Engineer's* original stamp and signature where the application is for:
 - i. a *freestanding sign* that is 2.5 metres or greater in *height*; or
 - ii. a *fascia sign* that is 3.0 metres or greater in horizontal or vertical dimension, and has a *sign area* of 2.0 square metres or greater, except signs painted on, completely recessed or flush mounted on a wall.
- (b) Engineering Schedule C-B showing the same *Professional Engineer's* signature and original stamp as the Schedule B, to be submitted to the *City* within ten (10) working days following erection of the *sign*.
- (c) an executed encroachment agreement between the *person* responsible for the *sign* or the owner or occupier of the *lot* or *premises* on which the *sign* is to be erected and the *City* where the *sign* or any part thereof is suspended over a *street* right-of-way, a public place or sidewalk or walkway where public access is allowed, or as may otherwise be required by this Bylaw, along with proof of an insurance policy of at least \$3,000,000 which indemnifies the *City* against all loss, damage, expense, or other costs incurred by the *City* relating to the *sign*.
- (d) Sign Coordinator's Appointment Form and Sign Coordinator's Approval Form for *lots* under a *Comprehensive Sign Plan*.

18.0 Permit Applications in Progress

- 18.1 A *permit* application made on or prior to the effective date of this Bylaw is entitled to be processed and, where appropriate, an applicant is entitled to receive a *permit* pursuant to the provisions of the *City of Coquitlam Sign* Bylaw No. 3500, 2000, as amended, provided that the *permit* is claimed by the applicant within thirty (30) days of adoption of this Bylaw, and that construction of the *sign* commences and is proceeded with diligently within sixty (60) days of issuance of the *permit*. An applicant whose application qualifies to be processed pursuant to the provisions of the *City of Coquitlam Sign* Bylaw No. 3500, 2000, as amended, may, in writing, notify the *City* that it wishes the application to instead be processed under this Bylaw.

Blank Page (For Future Use)

19.0 Comprehensive Sign Plan

19.1 The purpose of *Comprehensive Sign Plan* is to coordinate a number of *signs* and *sign* types proposed for a *building*, a group of *buildings*, a multi-tenant complex, or a *sign* proposal for two or more adjoining *lots*. The plan may also pertain to one *lot* where there are multiple tenancies, a planned shopping centre, or a single development of substantial size on a large *lot*. A *comprehensive sign plan* may be submitted to the *General Manager Planning and Development* as part of an application for *permits* for all *signs* provided that:

- (a) a *sign* coordinator is appointed, in writing, by the owner of the *lot* or *lots*, the planned shopping centre, or all the *businesses* involved in the *comprehensive sign plan*;
- (b) the *sign* coordinator has jurisdiction over the proposed *signs*;
- (c) the colour, size and shape of the proposed *signs* are compatible with existing and proposed *signs* and *buildings* on the same *lot*;
- (d) the overall area of *signs* does not exceed total *sign area* allowed for individual *signs* on the subject *lot* or *lots*;
- (e) the *sign areas* for *freestanding signs* cannot be combined to form a single *sign* that exceeds the maximum *sign area* of 20 square metres;
- (f) the *General Manager Planning and Development* will reject a *comprehensive sign plan* which does not meet the above considerations or is not in keeping with the intent of *Council*, as expressed in the preamble of this Bylaw.

19.2 As part of the *comprehensive sign plan* application the *sign* coordinator may:

- (a) calculate the maximum combined *sign area* of all *signs*, excluding *freestanding signs*, *signs* for which a *permit* is not required, *sandwich board signs*, and *time-limited signs*, on a *lot* or *premises* for each *premise frontage* for all the *buildings* on the *lot* or *lots* based on the *permitted sign area* per linear metre; and
- (b) allocate the *sign area* for each *premises* as the *sign* coordinator deems appropriate, even if the *sign area* allocated by the *sign* coordinator exceeds the allowable per *premises frontage* that would normally be *permitted* under the Bylaw.

PART 7 ADDITIONAL REQUIREMENTS

20.0 Building Permits

Any *person* proposing to install an *awning sign* or a *canopy sign* must also apply for a *Building Permit* for this *sign*.

21.0 Maillardville Neighbourhood Centre Development Permit Area

Any *person* proposing to install a *freestanding sign* within the Maillardville Neighbourhood Centre Development *Permit* Area must first obtain a Development *Permit* for this sign.

22.0 Requirements Relating to Structural Soundness

- 22.1 Where a *person*, or owner or occupier of a *lot* or *premises* intends to erect a *fascia sign* or *freestanding sign* on a *lot* or *premises*, the *General Manager of Planning and Development* may require that *person*, or owner or occupier to provide him or her with structural drawings prepared, signed and sealed by a *Professional engineer* as a condition of a *permit*. The costs associated with this will be borne by the *person* or owner or occupier of the *lot* or *premises* on which the *sign* is erected. This requirement will not apply to:
- (a) a *freestanding sign* with an overall *height* of less than 2.5 metres;
 - (b) a *fascia sign* with a horizontal or vertical dimension of less than 3.0 metres, and an area of less than 2.0 square metres;
 - (c) a *sign* painted on, completely recessed or flush mounted on a wall.
- 22.2 If a *sign* has been designed and sealed by a *Professional Engineer*, the owner of the *sign* or his or her authorized agent must have the *sign* inspected by the *Professional Engineer* after erection of the *signs*. A Schedule C-B showing the same *Professional Engineer's* signature and his or her original stamp must be submitted to the *City* within ten (10) working days following the erection of the *sign*.
- 22.3 Where a *person* or owner or occupier of a *lot* or *premises* intends to attached a *sign* to a *building*, and the *General Manager of Planning and Development* may require a *person*, or owner or occupier to provide plans for all wall and *roof* attachments which have been prepared, signed and sealed by at *Professional engineer* as a condition of a *permit*. The costs associated with this will be borne by the *person* or owner or occupier of the *lot* or *premises* on which the *sign* is erected.
- 22.4 Where the site condition, or weight or complexity of the proposed *sign* warrants, or where the *General Manager of Planning and Development* has concern for the structural integrity of a *sign*, or where he or she considers it necessary or advisable, he or she may require a *person*, or owner or occupier of a *lot*, parcel or *premises* where a *sign* is to be erected to provide design, drawings and specifications for the *sign* to the *City*. He or she may require these designs, drawings and specifications to have been prepared, signed and sealed by a *Professional engineer* and that the construction of the *sign* is supervised by that *Professional engineer*. The costs associated with this will be borne by the *person* or owner or occupier of the *lot* or *premises* on which the *sign* is erected.

PART 8 POWERS OF THE CITY REGARDING NON-COMPLIANT SIGNS

23.0 Power to Enter Onto Property and Inspect

- 23.1 The *General Manager of Planning and Development* or the *Manager of Bylaw and Animal Control*, may enter onto any property located in the *City* at all reasonable times to inspect and determine whether the provisions of this Bylaw are being, or have been, complied with.

- 23.2 Where the *General Manager of Planning and Development* considers it advisable, he or she may require a *person*, or owner or occupier of a *lot* or *premises* to provide a report prepared, signed and sealed by a *Professional engineer* which provides assurance as to the structural soundness of a sign. The costs associated with this report will be borne by the *person* or owner or occupier of the *lot*, parcel or *premises*.

24.0 Power to Order and Enter Effect Compliance

- 24.1 If the *General Manager of Planning and Development* or the *Manager of Bylaw and Animal Control* conclude that the provisions of this Bylaw have not been, or are not being, complied with, they may order the *person* responsible for a *non-compliant sign* or an owner or occupier of a *lot* or *premises* upon which a *non-compliant sign* is erected, to immediately remove the *non-compliant sign* or bring it into conformity with the Bylaw.
- 24.2 If the owner or occupier of a *lot* or *premises* fails to obey an order to remove a *sign* or bring the *sign* into conformity with this Bylaw when required to do so pursuant to the provisions of section 20.3 of this Bylaw, the *City* may, after forty-eight (48) hours of having given notice of the order described in that provision, remove the sign.
- 24.3 If the *non-compliant sign* is in such a condition as to be an immediate danger or is a menace to the safety of people on the property, the provisions of 20.4 do not apply, and the *City* may remove the *non-compliant sign* after twenty-four (24) hours of having given of the order to remove the *non-compliant sign*.
- 24.4 If the *City* exercises its right to enter onto property and effect compliance with this Bylaw, it will invoice the *person* responsible for the sign, or the owner or occupier of the *lot* or *premises* on which the *sign* is erected for all costs associated with the removal, transportation and/or storage of the *sign* and the owner or occupier must, upon receipt of that invoice from the *City*, pay the same immediately.
- 24.5 A *person* responsible for a *non-compliant sign* or an owner or occupier of an *lot* or *premises* from which a *non-compliant sign* has been removed by the *City* pursuant to the provisions of this Bylaw, who seeks to reclaim the *non-compliant sign*, must submit a request in writing for return of the *non-compliant sign* to the *General Manager of Planning and Development* within fourteen (14) days of the *non-compliant sign* having been removed, after which time the *non-compliant sign* may be destroyed and/or disposed of in any way the *General Manager of Planning and Development* considers appropriate. Before reclaiming any such sign, the owner must pay all costs associated with the removal, transportation and storage of the *non-compliant sign* up to the date on which the *non-compliant sign* is reclaimed from the *City*.
- 24.6 In the event that a *person* responsible for a *non-compliant sign* or an owner or occupier of a *lot* or *premises* on which a *sign* was removed pursuant to this Bylaw fails to pay the costs for which he or she is responsible, the *Charter* provides that such costs will then be deemed to be taxes in arrears on the *lot* or parcel.

PART 9 ENFORCEMENT

25.0 Offences

Any *person* who contravenes any provision of this Bylaw commits an offence punishable on summary conviction and is liable to a fine not exceeding \$10,000.

26.0 Severability

If any section, subsection, clause or phrase of this Bylaw is, for any reason, held to be invalid by a court of competent jurisdiction, it will be deemed to be severed and the remainder of the Bylaw will remain valid and enforceable in accordance with its terms.
